

Welcome

Diamond Flight Academy Scandinavia

Robert Petersson

Welcome to Diamond Flight Academy Scandinavia.

COURSE START: 4th of March 09:00

We start with presenting the program and a tour of the premises to see the aircraft, simulator and to collect the necessary documents for your enrolment (license, medical, logbook, atpl document/results). You will also receive the schedule for the first period. The flying for Multi Engine class rating starts either the same day or the day after (Thursday).

ACCOMMODATION: Available from 3rd of March (let us know your ETA). The accommodation is in single rooms, beds with complete bed linen set and a desk and open Wi-Fi. Shared kitchen, sauna, shower, laundry, TV-room with cable channels and movies. Walking distance to the aircraft, simulator and to the airport main terminal where the bus stop is to go to the city or shopping mall. The bus runs every 15 minutes to shopping mall (5 minutes) and to the city of Kalmar (10 minutes). At the airport there is a lunch restaurant and within a 5 min walk there is another garden hotel restaurant.

PAYMENT: You will receive your invoices on the first day, the fee is split up into 2 installments and the first half to be paid during the first week and the second half way through the program (approximately after one month).

COSTS: Training: 199 000 SEK, Accommodation 8700 SEK, Aircraft rental for skill tests 2,5h: 9000 SEK. **TOTAL: 216 700 SEK.** The examiner fee is paid to the examiner 4000 SEK total.

Attached to this email is the AFM for the DA-42. Also attached is the expanded checklist and our SOP's. You do not need to memorize it all, just take a look at it and pay a little extra attention to the part with limitations of the aircraft and our operating procedures such as briefings.

We are looking forward flying with you.
